CCFW Updates	<ul style="list-style-type: none"> The Adirondack Thunder Non-Profit of the Night CCFW event raised \$1,868 in donations from raffle and ticket sales. The CCFW now has a balance of 3,234.96 of available unrestricted funds (non-grant funds). We had a lot of PR – coalition name in lights over the sections, on the score board, video on score board, radio station giveaways, etc. 	

	<ul style="list-style-type: none">• Kelly, Adam Sisson, Randy Marshall & John Carey are presenting an interactive prevention fair at South High’s Wellness Day on March 9th. Tables include: STOP DWI, Healing Springs, The Prevention Council, & CCFW. Drug & Vape Jeopardy, the Bulldog Zone, After Prom, prevention & recovery resources, Saratoga County Sheriff’s Cadet Program, Good Samaritan Laws and more will be offered.• A meeting was held with the prom/after prom advisors and they said they would help promote the after prom via announcements, emails to parents, digital roadside board, website, etc. Trinity will be in the school promoting after prom tickets while prom tickets are being sold. Trinity and the Youth Coalition girls will be going out to businesses and soliciting for prize donations. Trinity is creating after-prom promotional materials: poster boards for Wellness Day, social media posts, after-prom admission tickets, etc.• We are moving forward with the PROM Please Return on Monday campaign in conjunction with the SADD club.• Year 10 DFC Continuation Application is due April 5th. If anyone has any suggestions, events, substances they want considered or removed in the grant for 2022/2023 let Kelly know. This will be our last funded grant year. Alcohol and marijuana were the substances of focus in 2021/2022 <p>DFC Goal 1: Increase Community Collaboration</p> <p>DFC Goal 2: Reduce Youth Substance Use</p>	<p>Contact Kelly Stevens at 518-581-1230 ext. 3618</p> <p>ccfw-coordinator@preventioncouncil.org</p> <ul style="list-style-type: none">• After-Prom: Make a card to give out to all the kids – have something to put into their hands

There are currently no legal repercussions for children caught with weed in school due to a lack of detail in the law, also if a parent claims the weed is theirs it cannot be confiscated. There are education programs offered in the school for kids caught with vapes or weed which they can attend instead of being suspended. The school is trying to keep kids in school and educate them on the risks associated with vaping and substance use rather than punish them. • Alex Barr Saratoga County Public Health: Working on substance use prevention efforts, creating an opioid task force, overdose reporting, a new 3 year cycle of community health assessment, suicide prevention coffee sleeves in Stewarts shops, Soul Shop & CAST
