opportunities are still available. Please share the attached event flyer on social media.

CCFW staff will be participating in the ACE Distribution Center Health & Benefits Fair on 9/29 at their facility in Wilton.

Our 4th Annual Trunk or Treat and Family Fun event is scheduled for Saturday October 22nd. The planning committee is well underway to present our best event ever. We are still looking for additional food vendors and event day volunteers. Festivities planned include trick or treating, hayrides, haunted hayrides, food trucks, kids' crafts, face painting, caricature artists, a balloon artist, games, a DJ and more! Contact Kelly or Trinity to volunteer and check out the attached sign-up sheet for opportunities.

CCFW will participate in the DEA Drug Take Back Day on October 29th with 2 locations in Moreau & Wilton. Kelly is now a Narcan trainer and will offer this service at one of the event locations.

We have confirmed our next Non-Profit of the Night with the Adirondack Thunder for Saturday January 7th. We will be selling advance game tickets just in time for holiday gift giving. We will need volunteers to sell 50/50 tickets and represent CCFW at our table on game night; please reach out to Kelly or Trinity if you can help.

Funding update: We have \$5,784.48 in discretionary (non-grant) funds. \$2,500 of these funds came from the SHMD and are to be used for the Bulldog Zone.

Alex McCane updated the group on the Big Brothers, Big Sisters upcoming Bowl for Kids' Sake fundraiser the weekend of October 14th – 16th. There is

The Coalition will pay the sponsorship fee for all bowlers.</p> <p>Pete Mody would like us to offer Narcan training to interested, responsible, students at the next South High Health Fair. We will gladly accommodate this request!</p> <p>Caitlin Righi from Mediation Matters spoke about the Peer Mediation Program at South High. This program facilitates mediation between students to resolve conflict. These services also apply to family members where conflict exists within the family domain. We would like to incorporate the program with middle school students at the Bulldog Zone.</p>
